

## Brain Injury Community Re-entry (Niagara) Inc. Special Events and Outings Fall October, November & December 2009

Here is a calendar for fall 2009 events and outings to be sponsored by BICR. Please note the following:

The calendar is to be used as a quick reference tool whereas the accompanying sheets have more detail about each event.

1. Events are listed and offered by city. You may attend an event in another city however transportation may not be provided.
2. All fees must be paid up front, occasionally in advance, particularly for ticketed events.
3. Often, a head-count of how many participants and staff are attending must be given in advance to the business/box office sponsoring the event. Therefore, **everyone (staff/participants) must register at least 48 hours** prior to the event in order to attend. Last minute sign ups cannot be accommodated. Events with a greater deadline date prior to the event will be noted. Some events require a minimum number of participants to occur.
4. **Bolded events with the van icon in the box indicate door-to-door van pick up availability.** All other events require participants to either provide their own transportation or meet in a central location to ride the van to an out-of-town event. All van rides require participants to pay transportation costs as indicated in **exact change!** You will be notified **24 hours** before the event occurs regarding your pick-up time.
5. Times indicated on the calendar are event times and do not include pick-up and drop-off time or driving time.
6. If you have any problems understanding the information given in this calendar, please consult your staff, family members, or call the TRS coordinator for clarification and assistance.
7. Opportunities for additional events may occur throughout the season and will be advertised to your staff as they occur.
8. Registration for events are open three weeks prior to the event except where an earlier deadline is indicated.
9. It is BICR's policy that alcohol consumption during an event is absolutely **not** permitted.
10. For out-of-country events (e.g. Sabres game), proper medical/insurance coverage is required as well as appropriate identification. If evidence of this is not presented, you will not be permitted to go to the event with BICR.
