Vocational Services

Vocational Services

Brain Injury Community Re-entry (Niagara) Inc. developed a vocational services component in November of 1999 to serve individuals who have sustained an acquired brain injury.

Vocational Services assists individuals in identifying work related goals and/or volunteer aspirations based upon their interests and abilities.

Our Services

- ◆ Job Readiness Programs
- ◆ Vocational Assessment
- ◆ Pre-employment Training
- ◆ Employment Planning
- ◆ Job Trials
- ◆ Workplace Assessments
- ◆ Job Coaching
- ◆ Job Placements
- ◆ Volunteer Placements

Groups Offered

Volunteer Ventures

The group volunteers weekly in various community settings to build job skills, confidence and self-esteem.

Headstart Program

A 12 week pre-employment program that assists with job readiness, resume writing and interviewing skills.

Work, Rest and Play (WRAP)

A 12 week session that provides participants with a sense of responsibility, commitment and job conditioning .

Horticulture Therapy

Provides education, training and vocational skill-building opportunities.
